

## Cory Family Society Biennial Meeting 17 Jul 2019 – West Des Moines, IA

This should be interesting. I'm going to try this on my phone, in an airplane seat.

The room became available for setup at 11:45 after being switched from the Dallas Room to the Polk Room next door without notifying us. Chris Cory had he pizza, salads, chicken, and pasta delivered at 12:00. She also provided iced tea while the hotel provided ice water. Joe Cory brought in an ice chest of beer and soda.

The Cory Family Society met at the Sheraton Hotel in West Des Moines, IA; officially convening for business July 17, 2019, at 12:15 after two days of tours and food; John Corey, presiding.

1. Item the first: Thanks to Joe Cory our host, and Chris Koehler, coordinator.
2. Chris Koehler read the minutes of our 2017 meeting. Mark Cory moved to accept them, seconded by Christina Cory, and approved by silent acclamation.
3. The gathered throng enjoyed a round of introductions, requested to tell at least one interesting thing about themselves. Very entertaining. Interesting facts included Joe's England trip and Fred's official Narragansett tribal membership (with wallet card!). As this was occurring, a note pad was passed around for all attendees to sign their names and email address (see attached.)
4. Christina Cory read the Treasurers Report (copy attached,) indicating very few transactions since prior meeting. She received \$10,158.73 in taking over the position from James Cory. Expenses were for checks, and a few items that are illegible in my notes! Balance in the account: \$9662. Expected expenses for the 2019 event: about \$700 for meeting room and pizza. Christina requested approval to disburse up to \$750 for such expenses and sundry. Bob Fisher so moved. Chris Koehler seconded, and another raucous round of silent acclamation yielded official approval.

Christina suggested we also approve an advance to cover reservations for our next meeting (2021). This was agreed somewhat later, in a less formal manner (or I missed it).

5. Thomas Cory was absent (see attenders list elsewhere), so no DNA project report was given.
6. Earl Cory presented visitation data on the various pages of our website (copy attached.) He presented the sizes of the various databases for each of the Cory lines and the status of lines that are in the works. Most of the lines are trees on Ancestry.com. He proposed removing the duplicate trees on our website and replacing them with links to the public trees at Ancestry. He also proposed to make the website more mobile-friendly. No objections were raised to these plans.
7. There was an item raised by Chris Koehler to update bylaws and clarify officer succession. The Prez rudely overruled these as impractical at the moment (as he had no

copy of current bylaws and saw no immediate need -this will no doubt come back to bite him!).

8. Chris Koehler also raised the more pressing matter of preservation of documents and relics, mostly now in private hands. Discussion included possible public-access repositories like state libraries. Fred Corey suggested states of origin for our three main lines as the most promising.

Mark Cory suggested adding an index to prior newsletters on our website as part of this project. John Corey agreed to work on that.

Bob Fisher notes that his New Brunswick folks have quite a lot of such materials.

Fred Corey said Charlotte Muller's stuff came from Providence and might go back there. John Corey agreed to follow up with Thomas Cory, who has 15 file boxes of her notes and papers.

9. Newsletter help: with Luke Davidson moves on and with new family, Chris Koehler has shouldered this largely alone and seeks support or assistance in layout and formatting. Gail Cory proposed to ask her daughter to help.

10. Anita Simonsen offered to host our next gathering (2021) in Billings Montana. Discussion ensued about registration and tour options.

Mark moved and David Cory seconded to approve the \$750 expense for this meeting and the \$500 advance for the next.

With pizza fully consumed, the meeting was adjourned at 2:00 pm.

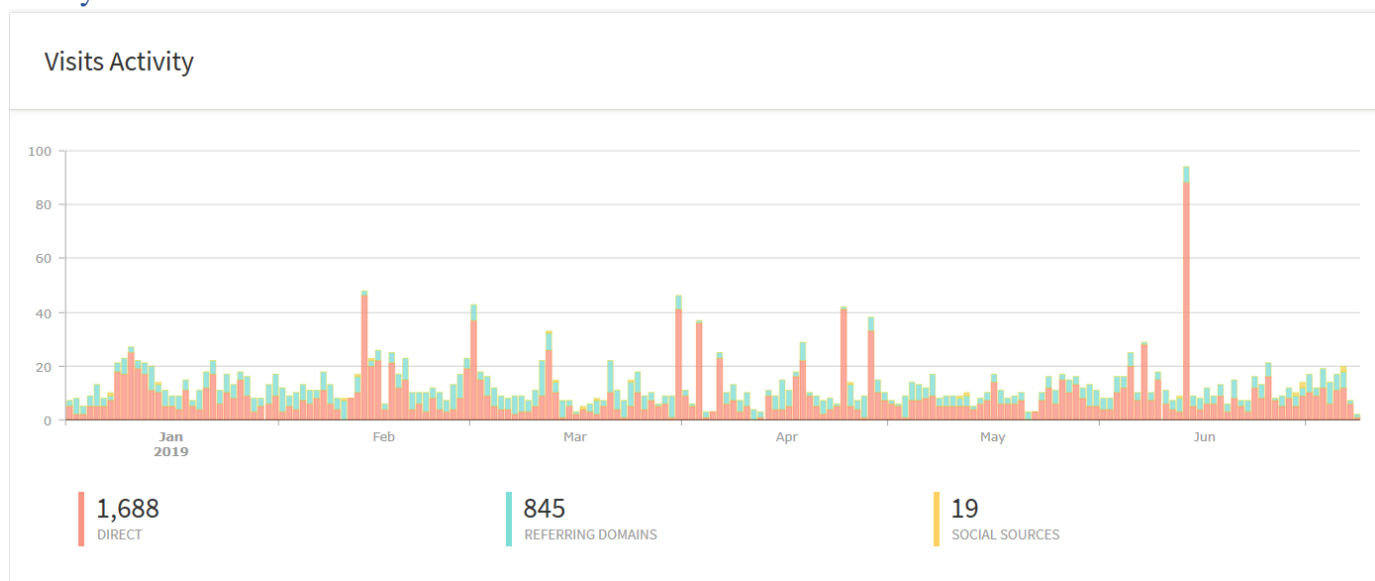

Respectably submitted,

*John Corey, president*

*Earl Cory, vice president.*
