SECOND ANNUAL CORY FAMILY REUNION

The NATIONAL CORY FAMILY SOCIETY is sponsoring the second annual National CORY Family reunion this year in Chicago, Illinois, JUNE 22-24, 1990. RESERVATIONS MUST BE IN BY MAY 22, 1990.

All Cory's are encouraged to attend. This meeting will be most interesting and informative as we have asked Mr. Vernon CORY, of Yorkshire, England to be our guest, He has accepted. Vernon will present two significant papers to us.

1. His findings on the early settlement of the CORY's in England, that might well extend back to the ~~Domesday~~ Domesday book of 1086.
2. His findings on the migration of the CORY families in England and in the United States. Hopefully from Vernon's research we will find the real truth in John, William, Thomas and Giles.

On Saturday, A bus tour has been set up for the Family to tour Chicago, all tho there are very few significant CORY family sites in the Chicago area, We may have the chance of

taking a tour to the top of the^xSears Tower to get a birds eye view of the area, or we may get the chance to stop at the Newberry Genealogical library. RESERVATIONS BY MAY 22, 1990.

On Sunday we shall all worship together, possible we may get to hear a CORY^{xx} do the preaching. then we shall retire to the Holiday inn for our banquet and annual meeting. Our meal will be at 12:30 PM at the Holiday Inn across the street from the Hampton Inn. The cost shall be \$14.00 per person which includes the cost of the Banquet room. After the Meal we will have our annual meeting and program.

We have alerted the HAMPTON INN in Matteson, Il a suburb of Chicago that the CORY's are coming. It is the best bargain around. Rev Jack recommends it, Mark and Linda stayed there on their way across country. The cost, \$52.00 per room. Now if you are 50 and over or there are four in a party staying together

the cost is still only \$52.00. When you make your reservation ask for the Lifestyle 50 discount. Please verify the rate. Talked to the hotel and there is a rate change in January. To Make your reservation call toll free 1-800 426 7866. RESERVATIONS BY 22 MAY 1990.

If your are flying in: O'HARE airport, catch the Tri-State Bus to the Hampton Inn at the lower arrival level, Door 1 g, United in front of the rotunda, lower level between terminal 2 and 3. MIDWAY airport, catch the Tri-State bus or van at the south end of the terminal by the baggage claim area....Bus runs daily from 6:30 AM to 8:35 PM. Cost \$10.00. Return, make reservations at Hotel. If you are driving you may call the Hampton Inn at 1-800-426-7866 to get there lifestyle application and the Hampton inn Directories which will give you a map for the Hotel. The Hampton inn is off Inter State 80 and 11 route 30.

From the Editor's Desk

First thing I want to do is to thank our friends at the Miller Cory House Museum for their generosity in providing the National Cory Family Society with copies of the ledger in their possession on the William Cory Line. I now have entered into the computer in William Line over 2,080 records, 1225 names and 711 marriages. For the John line I am now at 2,690 records 1,889 names and 841 marriages, with approximately 1900 family group sheets yet to be entered. On the Thomas line we have 308 records 246 names and 110 marriages. We also have other short lines that needs to be added to but I need the information from you. I have been researching off and on since 1954 and it is now time to cut it off. My dead line for information to be included in the CORY Book that I plan to publish, is January 1, 1991.

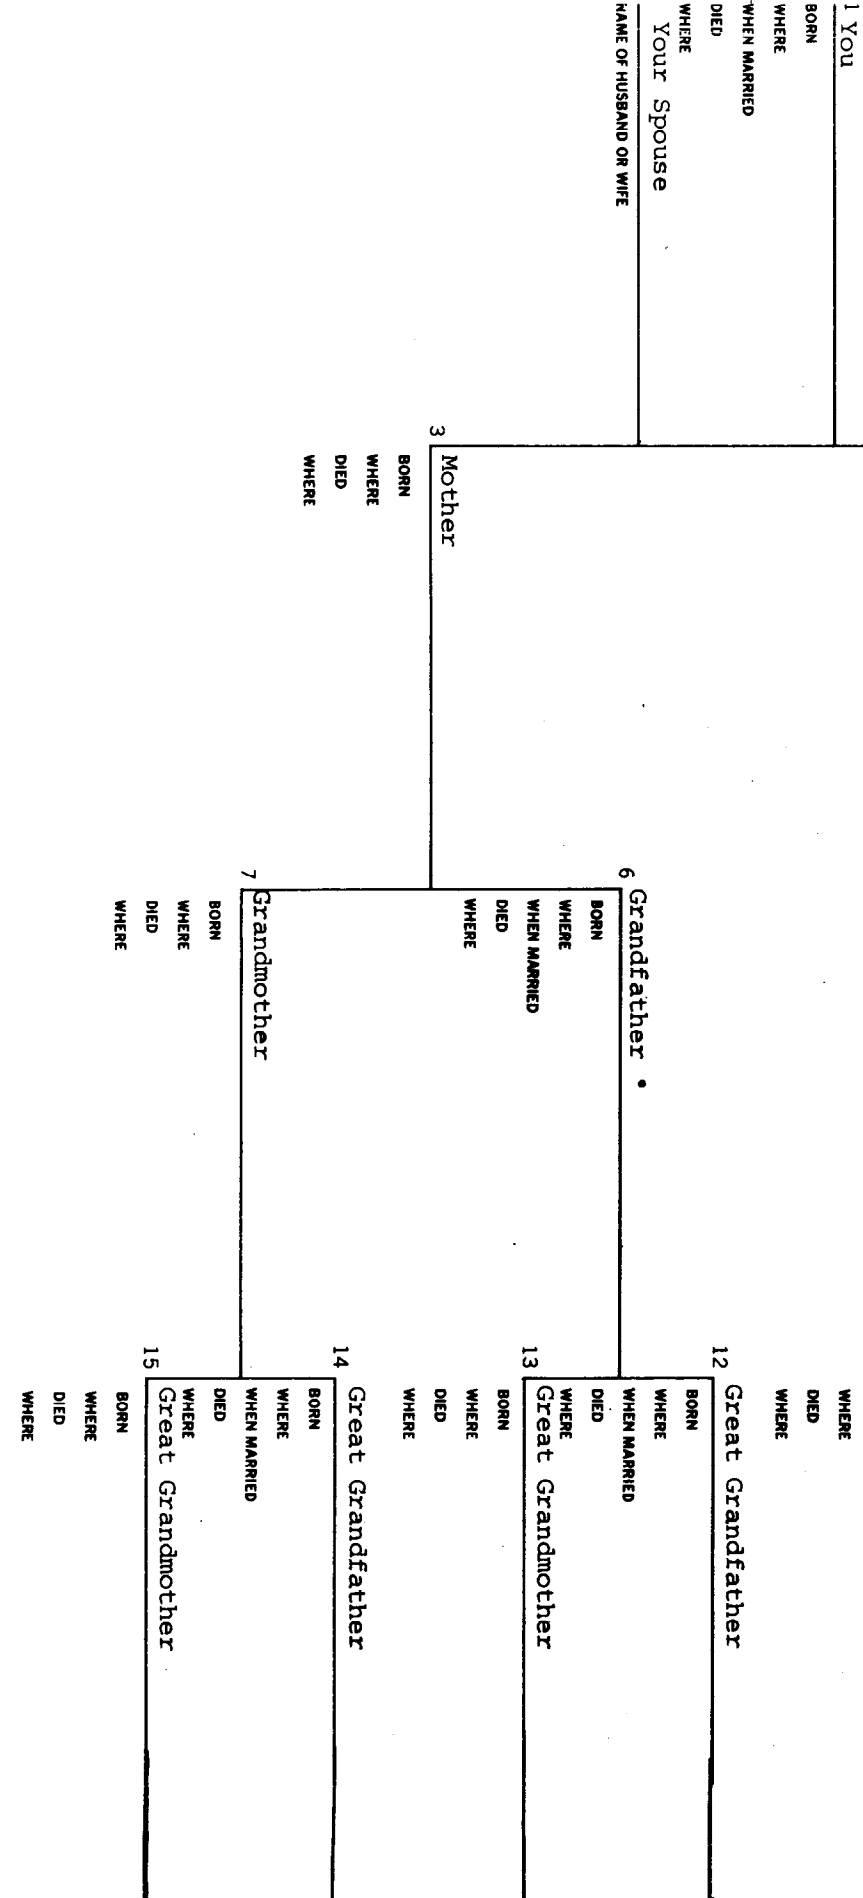

If any one would like to donate to the Miller-Cory House Museum or to pay them a visit the Address is P.O. Box 455 614 Mountain Ave Westfield NJ 07091-0455.

USING CENSUS RECORDS TO ESTABLISH BIRTH DATES

Compute when a person was born by going through census records. You can narrow it down to a certain number of years. Begin with the 1790 census and go through the 1830, then decipher what you have found.

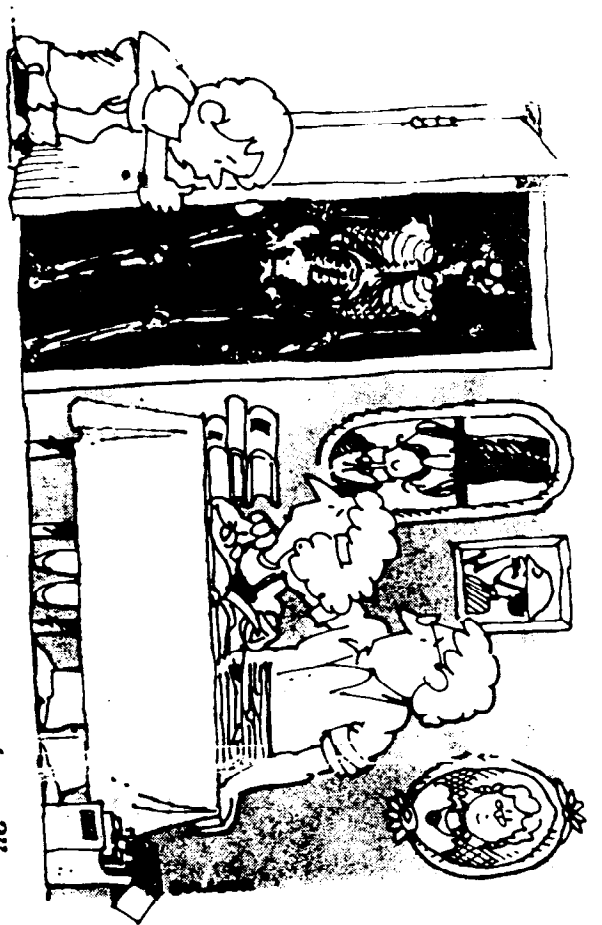

1790 census; under age 16-----b. 1774 to 1790 (16 year span)
1800 census; age 16-25 -----b. 1774 to 1784 (10 year span)
1810 census; age 26-45 -----b. 1765 to 1784 (19 year span)
1820 census; age 50-60 -----b. 1770 to 1780 (10 year span)

Lets see what we have found.

By the 1790 census he could not have been born before 1774
By the 1820 census he could not have been born after 1775
By the 1830 census he could not have been born after 1780

This means that our ancestor was born either 1774 or 1775. Using this method is easier than searching two years than 16 years worth of records.
