2002 Annual and Family Reunion-Rhode Island (Back to the Cory Roots)

August 15-18, 2002

The date for the reunion is now final and it is scheduled for August 15-18. We were able to pick a date that will work for all of us and hopefully for other Cory members who can come. We had to change the date from our previous preliminary announcement due to availability of rooms and availability of board members.

We are scheduling a trip to the Pilgrim Plantation in Plymouth, Massachusetts on Friday for the people who want to come one day early. Plymouth is a short hour from where we are staying. We will be staying at the Ramada Inn. Call 508 336-7300 for room reservations. They are listed under the Cory Family Society and we have 20 rooms reserved (\$84 single and \$89 double). We will reserve more rooms if we see we have a lot of interest. The Ramada Inn is east of East Providence, Rhode Island in Seekonk, Massachusetts near I-195 and 114. They have a restaurant and meetings room on site. This should be centrally located for our tours to Cory farm in Portsmouth, Kingston, Providence library, Tiverton, Plymouth, etc.

With Charlotte Muller's passing away we will have to refocus some but we should be able to provide a very interesting tour. The tour to the Pilgrim area will be a highlight as well. I do have a videotape from our tour in 1993 of which Charlotte narrated. We will be showing the tape as well as presenting materials that Charlotte presented last time. A lot of this information is in Charlotte's (black book) entitled "The Early History of William Cory of Portsmouth, Rhode Island". Charlotte was planning our tour with Patricia Wyatt from Narragansett, Rhode Island and several people have stepped up to assist. I will be making a trip prior to our reunion to arrange the final details. We will be providing an educational tour of the early Cory's arriving in America. Several Cory members attended the reunion in 1993 and I'm sure this group as well as new attendees will enjoy this tour as this will be a very enjoyable field tour and factual discussions of the early Cory's, don't miss this one!!!! See you there.

Reprint (Prior Newsletter) of our Portsmouth Rhode Island Tour – August 1993

By Charlotte Muller

Saturday's tour began in Portsmouth, RI at the Northwest corner of West Main Rd and Cory's Lane, where William Cory received his eight-acre land grant in 1657. He also inherited the adjoining thirty-eight acre land grants of his step-grandfather and grandmother, Ann and John Roome. His two sons John and William inherited this land in 1682. On the south side of Cory's Lane we stopped at the old cemetery where Samuel Cory the revolutionary War Patriot is buried. It is thought that William is buried there as well as his wife some years later.

Crossing the bridge to Tiverton we passed over lot 22 of the Pocasset Purchase William purchased in 1680 and left to his son's Thomas and Roger. South to Tiverton Four Corners we stopped at five Cory homes built before the Revolution, including Cory-Hicks-Bordon home purchased by Thomas Cory in 1720, and remained in possession of his descendants until 1900; the home built by his grandson, Philip Cory c1770; and the Chase Cory house purchased by Andrew Cory in 1816 and occupied by his descendants until 1966 when it was donated to the Tiverton Historical Society.

We visited the cemetery on the land of Captain Philip Cory, where he, his wife and descendants are buried. At the Chase Cory House we were greeted by Edna Snell who lived there as a child more than ninety years ago.

Continuing east our tour headed for Westport Pointe, MA by the way of Cornell Rd. where we passed the land purchased by William Cory in 1669, which he left to his son, Caleb. Our bus stopped at the cemetery in Westport Pointe where Capt Isaac Cory, a grandson of Thomas Cory of Tiverton, and his descendants are buried. We were met there by Mr. Dexter and Mr. Wadsworth, both descendants of Alexander Cory, a grandson of Isaac Cory, who were our guides for the half a mile stroll down Main Rd. to the tip of the point. During the Revolution Capt. Isaac Cory built his store that would remain active until 1915. This store would be the focal point for his whaling, coastal trading and fishing business. We passed by beautiful old homes, many built soon after the Revolutionary War, including the home of Capt. Isaac still owned by his descendants. Isaac inherited lands in Westport from his father, Philip Cory in 1750, which still remain in the possession of his descendants.

Our last stop was the Whaling Museum in New Bedford, MA where we viewed some papers from collection of Isaac Cory papers.

Sunday morning we visited the North Kingstown, RI "Homestead" land purchased by John Cory c1705 son of William Cory of Portsmouth, RI. This land and home was owned by his descendants until 1901. In 1941 the land was made part of the Quonset Naval Air

Station and at this time the grave stones in the "Homestead Cemetery" were moved to the Quidnessett Cemetery. His descendants at this cemetery took many pictures. The two oldest marked J.C. and E.C. are thought to be those of John Cory and his wife Elizabeth.

Charlotte Muller has compiled a Booklet "The Early History of William Cory of Portsmouth, Rhode Island and his descendants". Contains material not previously published on the William Cory/Corey family. Includes transcriptions of early papers. Deeds, wills, maps, Cory/Corey pictures, houses, copies of revolutionary War Documents as well as anecdotal stories. Upon permission from Charlottes descendants copies will be available for purchase at the reunion or can be purchased before or after.

SOME VERY SAD NEWS!

The Cory Family Society has lost a member very dear to our heart. Charlotte Muller passed away unexpectedly Wednesday (2/13) morning after suffering a heart attack. Charlotte had a very active role as the genealogist for the Cory Family Society and as past President. This occupied an important part in her life, and she took great pride in her research and she was able to provide assistance to others seeking information on their ancestry. Most recently, she was quite excited by the DNA project. Her participation in the Society provided her a real sense of purpose, and we have been very appreciative of that.

We will miss Charlotte tremendously and we extend our condolences to her family. Her husband preceded her and she had several children as well as grandchildren. If you wish to send condolences please send to her son Mark Muller at mmuller108817@comcast.net: 1608 N. Connecticut, Royal Oak, MI 48067, Phone: (248) 548-6461.

Membership

Our membership list has been updated and is included in this newsletter. Our distribution to genealogical and historical societies as well as libraries is also included. If you have any additional societies or libraries that should be added to our list please give me a call.

Vice President and Genealogist Vacancies

The Cory Society has two vacancies that we will need to fill. Please consider volunteering for these positions or recommend members who may be available. I would like to accept nominations at our annual meeting.

Cory Family Society Logo

As reported in our previous newsletters we have discontinued the use of the modified Coat of Arms logo. We are looking for a logo that displays and illustrates the history of our families in America. We did receive two artistic submittals at our meeting in Chillicothe.

Dorothy rout and Phyllis Cory have submitted designs that have been thoughtfully designed. Both submittals are being reviewed and will be submitted as one at our annual meeting for approval.

Logo Submitted by Dorothy Rout:

Crest: Three red stars signifying our voyage into the unknown-sailors of yore used celestial "lights" to guide them to a safe harbor.

Ship: Our forefathers came from over the seas to form a new nation-one of "life, liberty, and the pursuit of happiness".

Laurel Leaf Crown: Like our ancestors who sailed to America, we have worked hard and been rewarded.

Reminder of Cory Association Dues

As a friendly reminder if you have not paid your annual dues for 2002 please send your checks to Maxine Hester. If you cannot afford the dues please give me a call, as we may be able to establish a lifetime membership. We want to keep our membership.

Please Note: As requested and to avoid sending out reminders when our society dues are due, we have decided to add a line to our mailing labels for each newsletter as to the status of our current payment. Any one paying for several years in advance will be noted on the membership list.

I would like to ask each of you to ask your relatives and cousins to join our Cory Association and become long term members. We want to build our association to extend our heritage and archive our ancestry in perpetual time. We will always need new members for our Association to grow and live on.

I ask you to keep the editor current on your address and phone numbers so we can send you the newsletter. Please submit your e-mail addresses and keep them current, as we will be corresponding through e-mail as well. We will not include our membership on the web page.

THE CORY FAMILY SOCIETY AND THE INTERNET

By Earl S. Cory, Vice President, Webmaster

Welcome to the Cory, Corey, Corrie, Corry, Coray, Corie...- Web Site

Yes any of the above spelling(s) and some with the Kory(s) are or may be our Cory line. For those of you who do not have a computer at home, or do not have access to a computer, or are not aware of our web site and what is available, I have reprinted a portion of the first page from our web site. You can also go to a library and request to use a computer to visit our site. Earl Cory has done a tremendous job in developing our web site and updating our site with up-to-date information on the Cory(s). In addition Earl is maintaining and updating our massive data files on Cory genealogy. This file was originally developed by Al Cory from Jacksonville, FL. Charlotte Muller has also spent a tremendous amount of time providing updated data as well. Earl spends a lot of

time trying to respond to your inquires our your family history. I know he gets a lot of requests and his stack of requests are stacking up so please be patience and he will be able to respond to you.

Database Update

All five of the Cory databases have been updated and uploaded to the web site. The new format should make it easier for you to find who you are looking for. Several people have requested that information on living people be removed from the web site. Many people have supplied corrections and additions to information on living people. This presents a problem! With living information removed, it is hard to determine if additions or corrections are needed.

For security reasons, I have removed all information about living people (as best as I can determine) from the web site, but kept the information in the Society Databases.

PLEASE CONTINUE TO SUPPLY INFORMATION ON LIVING PEOPLE.

Editor's Note: We will discuss this item at our annual meeting. To aid in finding our ancestors and relatives and also finding living people currently doing research we may want to list living people as well as people who have passed on. This would surely aid people doing research and finding their cousins. If people specifically request not to be listed then we could also honor that request.

A special request, when you die, please have some one let me know so that I can change your status and put the information on the web site.

Earl Cory, Webmaster

1850 Census On Line - Prepared by Art Corey

Genealogies

Genealogies of each of the branches will be published on this web site. As new information (additions, corrections, changes) is provided, it will be published on the Genealogy pages for each of the lines.

Resources, Inquires, and Corrections

The Cory Family Society welcomes inquires. When sending inquires, please indicate which branch of the family you are inquiring about.

In addition, there are several places to post inquires on the GenForum web site:
